Feedback:

- Every Monday meeting before Lab we will set our week’s goals and expectations for each other.
- We will give each other feedback respectfully, not dismissing each other's ideas but listening, affirming, responding, and adding any thoughts we have.
- We will use non-violent communication (<https://www.cnvc.org/>) to try to come to consensus on difficult issues for the most part.
- However, if consensus is impossible, we will revert to Robert’s Rules (<https://www.boardeffect.com/blog/roberts-rules-of-order-cheat-sheet>) and abide by a majority vote.
- Each Friday, we will do a check in on each of our projects and then talk through any roadblocks/help if we need it.
